論文審査 審査員		氏名	職名	氏名	職名
	主査	Jeffrey S. Cross	教授	分山 達也	准教授
	審査員	野原 佳代子	教授	小泉 勇人	准教授
		山下 幸彦	教授		
		佐藤 由利子	准教授		

論文審査の要旨 (2000 字程度)

On Jan. 4, 2023 at 12:30 -14:00 the public dissertation presentation of TSE GEDES D3 John GAYED was held in I4-B04/B05 and also presented online via ZOOM. It was attended by the dissertation committee members and approximately 10 other participants in person and also online. John gave an oral presentation for 60 min based upon ppt slides covering the main points of the dissertation and then answered questions from the dissertation committee and also from general participants for 30 min. The overall presentation was approximately 90 min. Although the dissertation was revised after the preliminary exam based upon feedback from the committee, John received further modifications requests to clarify 1) research originality (data analysis or approach) compared to the published literature, 2) clarification on EFL scripting in the reverse translation section, 3) implications of the research based upon proposed survey results, 4) clarification related to the language model and translation of the sentence prompts, 5) did the survey questions to educations influence the participants responses, and 6) student participation sampling size and its implications.

Overall, the committee felt sufficient progress has been made since the preliminary exam and the research meets the criteria for graduation but further analysis and modification of the dissertation is needed. The committee unanimously agreed to proceed with the holding the final exam on Feb 9, 2023 at 10:00. The revised dissertation, list of corrections, written responses to questions received during the public presentation and final presentation slides was distributed to the committee two weeks in advance of the final exam.

John published one paper in an international peer-reviewed journal and published two additional papers in peer-reviewed conference proceedings. The committee confirmed that John has met the requirements for TSE GEDES graduation based upon the final exam and dissertation.
